Cap. A. I. Zimmerman of the 4t pisto wound in his left breast.

The found Capt. Zimmerman's body in a chair with an automatic revolver at his feet.

Medical Examiner Norris said there was nothing suspicious about death, believing the revolver had been death, believing the revolver had been accidentally discharged as the Captain was cleaning it.

Capt. Zimmerman had been in New York for several months. He was on leave as the result of wounds received in the trenches. Recently he had been connected with the Hritish-Canadian Recruiting Service and Col. Athil and Capt. Size of that bureau took charge of the body.
